

**2009**  
**YORK CITY BATHS CLUB**  
**MASTERS SWIMMING REPORT**

Masters have had a much quieter year, both in training and competition. The number of members training regularly has slipped and has impacted on the entry levels in competition. However, we have won many medals and achieved P.B.'s in these competitions.

In the Yorkshire Masters Swimmer of the Year competition, our own Liz Shaw achieved a creditable 4<sup>th</sup> place. Competitors are awarded points for overall placing at the championships.

We had three representatives from York in the Inter-Counties competition, which this year was held in Blackpool. Carol Brown, Peter Kendrew and Duncan Brown helped Yorkshire to finish 5th nationally, coming 2<sup>nd</sup> in the regional round behind Cheshire who won the national event.

Many Masters continue to give their valued support to York City Baths Club in the following areas: sitting on committees, giving expertise, teaching, website, galas, etc.
